Remember that your campers will be doing a variety of activities while at camp. These activities may include running, jumping, bending, etc. Please ensure that the clothing your campers bring to camp are appropriate for ALL activities.

If your camper is packing their own clothes, please help them understand the dresscode and maybe do a once over of the clothes they've packed to make sure they fit the dresscode guidelines!

Medications

Both over-the-counter and prescription medication must be in **original containers** and placed in a labeled, resealable, plastic bag with your camper's name. Please send only the amount of medication needed to last the duration of your camper's stay.

Razors

Shaving razors may be brought to camp, but will be kept under lock and key while not in use. Campers will have access to their razors before heading to the shower by simply requesting permission from their counselor.
